## GENERAL INFORMATION

### APPLICATIONS FOR TELEPHONE SERVICE

Applications for service, rates, changes in service, directory listings, directory advertising or other information, may be made by telephone, by mail, or in person to the Company's Business Office.

### ACCOUNTS FOR SERVICE

Accounts are rendered monthly and are payable when rendered. Each subscriber's account shows charges for local service for one month beginning with date of bill, and Long Distance and Directory Advertising charges, if any, for one month preceding.

### SERVICE DIFFICULTIES

Our aim is to render service that will be satisfactory to our customers. We realize that difficulties will occur despite all our efforts to avoid them. If at any time difficulties are not promptly corrected or unsatisfactory conditions persist, we will appreciate your communicating the facts to the Manager.

### IDENTIFICATION OF EMPLOYEES

All employees of the Company whose duties require them to enter the premises of subscribers or others, are required to wear a badge similar to the accompanying illustration or to produce a card of identification from the Manager. Any person claiming to be an employee of the Company who is without this card or badge should be refused admission, and the Manager be notified at once by telephone.

### INTERFERENCE WITH APPARATUS

A subscriber is not allowed to remove or otherwise interfere with the wire connections or parts of any telephone apparatus leased from the Company, or make attachments thereto.

### DIRECTORIES

Please check your listing and if it is incorrect in any way call the Business Office at once.

The Telephone Company assumes no liability on account of errors in or omissions from its directories. Telephone directories are and remain the property of the Company. They are printed for the exclusive use of the Company's patrons and are loaned to its subscribers. All persons are cautioned against reproducing their contents.

Subscribers must not use any holder, holder, or other attachments, except as provided by the Company.

### MAGNETO RURAL PARTY LINE INSTRUCTIONS

Always listen before ringing, to ascertain if the line is in use and thus avoid interrupting a conversation that may be in progress.

Before calling a subscriber on your line make sure of his number by consulting the directory, then ring, being careful to make the signal distinct. The signal to give is indicated by the number following the letter "R". The first figure following the letter "R" represents the number of long rings, and the second figure, the number of short rings. For example, to call R-2-1, give two long followed by one short ring. Do not press the push-button on your instrument when calling a subscriber on your line.

To call a subscriber on another line, signal the operator and give her the number. To signal the operator, press the button while ringing.

When conversation is finished, replace receiver and give one quick ring-off. Do not press push-button while ringing off.

Conversation should not exceed five minutes' duration. Bear in mind that while you are using the line other subscribers are unable to do so.

### PUBLIC NOTICE

This Company's tariffs are open to public inspection. The Exchange Tariff may be seen on application to the Manager at the Company's Business Office. Long Distance Toll Tariffs may be seen on application at the Head Office of the Company, in the City of Montreal, Que., or to the Company's Manager at the toll centre of any locality, the name of which toll centre will be furnished by the Manager of the Local Exchange.

The following is the toll centre for the district covered by this directory:—

COSTS NO MORE—YET SO MUCH BETTER

Flo-glaze Paint is made with a specially treated linseed oil which causes it to flow evenly and smoothly *leaving no brush marks.*

Brush marks are really hundreds of tiny grooves in a paint film. The grooves collect and hold dirt which not only spoils the appearance of your paint job but may cause early peeling and cracking.

When you paint with Flo-glaze, there is no place for dirt to catch and hold on top of the smooth film, which washes clean with the natural rains.

THERE'S A . . . FLO-GLAZE PRODUCT FOR EVERY PURPOSE ●

# Better Service for Party Line Subscribers

1. Be sure you have the right number in mind. If in doubt consult your telephone book.
2. Before calling, find out whether the line is in use. If it is, hang up your receiver promptly
3. Always wait a sufficient time for the called party to answer, at least five ringing intervals.
4. Speak distinctly and directly into the transmitter, with your lips close to the mouthpiece.
5. When your telephone rings, answer promptly.
6. Avoid unduly long conversations. Short conversations will keep the line open and make the service of most value to everyone.
7. Always replace the receiver immediately after conversation is over
8. Do not allow children or others to listen to or interrupt your neighbour's conversation.

*The practices suggested above have been found to improve party-line service.*

# Courtesy Pays Dividends

● The manner in which we use the telephone has much to do with the impression our friends or business associates form of us. As in face-to-face contacts, courtesy begets courtesy.

In the interests of good telephone service, we suggest that you—

1. *Always make sure of the number by consulting the latest telephone directory.*
2. *Speak slowly and distinctly, directly into the transmitter.*
3. *When you call a number, give the other party sufficient time to reach his telephone before you abandon the call.*
4. *When your bell rings, answer promptly.*
5. *When answering your telephone, don't say "Hello"; announce your name or the name of your company.*
6. *When you have finished talking say, "Thank you" or "Goodbye." This makes a pleasant ending and indicates that you have finished talking.*

**These suggestions, if followed carefully, will assure the best possible telephone service.**

### "ANYONE" (STATION-TO-STATION) CALLS

On Station-to-Station calls, give "Long Distance" only the place and number you are calling. In calling a firm do not specify that you wish to talk with a particular person, P.B.X. local, office, department or branch served by that number. Charges begin when "anyone" answers at the called number.

### REVERSAL OF CHARGES

Charges on Long Distance calls may be reversed—that is, charged to the telephone you are calling. Travellers telephoning home may thus have the call billed against their own telephone.

### PERSON-TO-PERSON CALLS

On Person-to-Person calls, the calling party specifies a need to talk with a particular person at the called number or address, or indicates a desire to reach a particular P.B.X. local, an office, department or branch at that number or address. Charges begin when the specified person, P.B.X. local, office, department or branch answers.

### REPORT CHARGES

A small report charge is made on certain Person-to-Person and collect "Anyone" (Station-to-Station) calls which cannot be completed.

*Long Distance messages for which the charge is 20 cents or more are subject to a Dominion Government tax of 6 per cent, not exceeding 25 cents for any message*
